Tour overview

Discover the best of northern Tanzania on an unforgettable **10-day safari adventure** combining wildlife, culture and spectacular landscapes. Begin in Arusha before exploring the wildlife-rich **Tarangire National Park**, experiencing the authentic cultures around **Lake Eyasi**, and discovering the dramatic scenery of **Lake Natron**. Continue to the remote **Northern Serengeti**, where you will enjoy exceptional game drives and explore the Mara River area, with the possibility of witnessing the Great Migration depending on the season. Journey through the Serengeti with a full-day game drive in the north before continuing south to **Central Serengeti** for outstanding year-round wildlife viewing. Your adventure concludes in the breathtaking **Ngorongoro Crater**, home to an incredible concentration of wildlife, before your departure. This carefully designed itinerary offers a perfect balance of **wildlife, cultural experiences, nature and adventure**, allowing you to experience Tanzania's northern circuit at a relaxed and rewarding pace.

Day 1 Horse Riding in Arusha

Upon arrival in Tanzania, you will be warmly welcomed by your safari guide and transferred to your accommodation in Arusha. After settling in and taking some time to refresh, enjoy a memorable **horse-riding experience around Arusha**. Ride through beautiful countryside and scenic landscapes while enjoying a peaceful introduction to Tanzania's natural surroundings. The activity can be tailored to your experience level, from a relaxed ride for beginners to a longer adventure for experienced riders. After the ride, return to your hotel, enjoy dinner and relax in preparation for the safari adventure ahead.

Overnight in Arusha.

Day 2 Arusha to Tarangire National Park

After breakfast, depart Arusha and drive to Tarangire National Park, one of Tanzania's most beautiful wildlife areas. Upon arrival, begin your game drive through landscapes characterized by enormous baobab trees and the Tarangire River. The park is famous for its large elephant herds, but you may also see lions, giraffes, zebras, wildebeest, buffalo, impalas, warthogs and numerous bird species. Enjoy a picnic lunch in the park before continuing with an afternoon game drive. Later, exit the park and drive to Mto wa Mbu, a lively multicultural town near Lake Manyara.

Overnight in Mto wa Mbu.

Day 3 Lake Eyasi

After breakfast, drive toward the remote and fascinating Lake Eyasi area. This region offers a very different experience from the traditional safari circuit and provides an opportunity to experience authentic Tanzanian cultures. Upon arrival, visit a local Hadzabe community and learn about their traditional hunter-gatherer lifestyle, followed by an opportunity to meet the Datoga people and learn about their traditional crafts and way of life. Depending on the season and local activities, you may also explore the lake surroundings and enjoy the beautiful Rift Valley scenery. In the evening, relax at your lodge or camp and enjoy the peaceful atmosphere.

Overnight at Lake Eyasi.

Day 4 – Lake Eyasi to Lake Natron

After breakfast, continue your journey toward Lake Natron, traveling through scenic rural landscapes and the Great Rift Valley. Lake Natron is a spectacular alkaline lake surrounded by volcanic scenery and dramatic mountains. Upon arrival, enjoy a guided walk around the lake area and observe the landscape and birdlife, including flamingos when conditions are suitable. You may also visit a nearby waterfall or take a nature walk depending on the day's conditions and your interests. In the evening, enjoy dinner and relax at your accommodation beneath the beautiful African sky. Overnight at Lake Natron.

Day 5 Lake Natron to Northern Serengeti

After an early breakfast, depart Lake Natron and begin the journey toward the Northern Serengeti. This is one of the more remote and spectacular sections of the safari route, with beautiful landscapes changing from the Rift Valley to the vast Serengeti plains. After entering Serengeti National Park, begin your first game drive in the northern region. Depending on the season, you may encounter large herds of wildebeest and zebras, particularly around the Mara River, as well as lions, elephants, giraffes, buffalo, cheetahs and other wildlife. Continue toward your camp, arriving in the evening for dinner and relaxation. Overnight in Northern Serengeti.

Day 6 Full-Day Northern Serengeti Safari

Today is dedicated entirely to exploring Northern Serengeti. After an early breakfast, set out with your guide for a full-day game drive with a picnic lunch. Explore the open plains, river valleys and rocky landscapes while searching for the region's abundant wildlife. If your visit coincides with the Great Migration, the northern Serengeti and Mara River area can provide opportunities to witness large herds of wildebeest and zebras moving through the ecosystem. You may also encounter crocodiles and hippos around the river, as well as lions, leopards, cheetahs, elephants and other animals. Your guide will follow wildlife movements to give you the best possible experience. Return to camp in the late afternoon.

Overnight in Northern Serengeti.

Day 7 Northern Serengeti to Central Serengeti

After breakfast, depart Northern Serengeti and begin your journey toward Central Serengeti. This will be a scenic game-drive route, allowing you to continue looking for wildlife as you travel through different parts of the park. Along the way, you may encounter herds of wildebeest and zebras, giraffes, elephants and predators. As you approach the Seronera Valley, the landscape becomes particularly rich in wildlife. Enjoy an afternoon game drive around Central Serengeti before arriving at your lodge or camp.

Overnight in Central Serengeti.

Day 8 Full-Day Central Serengeti Safari

After breakfast, spend a full day exploring Central Serengeti, particularly the famous Seronera Valley and surrounding plains. This region is one of the best places in Tanzania for year-round wildlife viewing. Your guide will search for large lion prides, cheetahs and leopards, while also looking for elephants, buffalo, giraffes, zebras, wildebeest, gazelles and hyenas. Enjoy a picnic lunch in the park before continuing your afternoon game drive. As the sun begins to set, return to your accommodation for dinner and relaxation. Overnight in Central Serengeti.

Day 9 – Central Serengeti to Ngorongoro Highlands

After breakfast, enjoy a final morning game drive as you leave Central Serengeti and travel toward the Ngorongoro Conservation Area. The route takes you through spectacular highland scenery and offers further opportunities to see wildlife along the way. You will eventually reach the Ngorongoro Highlands, where you can relax and enjoy the cooler climate and beautiful surroundings. Depending on your arrival time, you may take a short nature walk or simply relax at your lodge in preparation for the following day's crater experience.

Overnight in the Ngorongoro Highlands.

Day 10 – Ngorongoro Crater & Departure

After an early breakfast, descend into the magnificent Ngorongoro Crater for your final game drive. The crater is one of Africa's most remarkable wildlife destinations and is home to a high concentration of animals. Explore the crater floor while searching for lions, elephants, buffalo, hippos, zebras, wildebeest, hyenas and many bird species. With some luck, you may also have the opportunity to see the endangered black rhino. Enjoy a picnic lunch in the crater before ascending and beginning your journey toward the airport or your onward destination. Depending on your flight time, your guide will transfer you to Kilimanjaro International Airport or Arusha Airport for departure. End of your Tanzania safari adventure.
